51 West 52nd Street
New York, N.Y. 10019

Dear Sir,

At the time of the debacle of the rigged TV quiz shows you were publicly quoted as saying:

> "As I see it with the benefit of hindsight, we should have been more thoughtful and critical."

I greatly regret to inform you that vis-a-vis the Warren Report CBS should have been considerably more thoughtful - and critical.

Sincerely

John F. Engelke
